Thank you for inviting Play Source to provide a proposal for the above project. Please find enclosed our detailed quotation.

Why do people work with Play Source?

Quality – by using only the best materials we can deliver the perfect play space with the longevity and peace of mind that you deserve.
Knowledge – the Play Source Team specialise in meeting your needs. With over 20 years' experience we bring a wealth of knowledge in all areas of Play, Sport, Safety Surfacing & Repair work.
Service – we'll take care of you every step of the way. From the supply and installation to great customer and project after care.
Environment – Where possible the rubber surfacing we remove is recycled and used again within other business sectors avoiding the very common landfill.

We trust that we have met your requirements and expectations fully. Should you wish to proceed with our proposal please contact us at info@playsource.co.uk. However if you have any questions about the products & services offered or any other element of this proposal or wish to make any revisions then please do not hesitate to contact me.

Thank you for your interest in Play Source. We look forward to discussing this proposal further with you in the near future.

Yours sincerely

Neil Totman
Managing Director
